President's Message

Mike Jones

Wow it's hard to believe another year has flown by. We've already had snow in October of all months and now suddenly it's the holiday season. Also coming up is another birthday for my bother, Mark and me. Getting old and skiing are very much alike; once you are over the hill, you have a tendency to pick up speed. Well if this is true, then I should have more NASTAR medals.

This is the busiest time of the year, but don't forget to take time out for yourself and come to the holiday social on Wednesday, December 7. This year will have a buffet featuring fried chicken (I feel everyone is tired of turkey). The Holiday Social Committee [Mary Rose, Christopher, LuAnn, Sharon & Mark] are busy planning all the details that go into the event so our members can come together for a memorable evening of food and fun. Don't forget to thank them for all their hard work. Proceeds from the 50/50 Raffle will once again be donated to the Wounded Warrior Project's Adaptive Ski Program.

This is also our election night. BSC members vote for the Executive Council, consisting of officers and board members. This is an important night as the members voted into office will make decisions that affect us all for the next ski season. Currently, the position of Corresponding Secretary is open. Please contact me if you are interested in running for this position or any other office. It's not too late to add your name to the ballot.

The first BSC "Winter Expo" was successful and I heard that many folks really enjoyed talking to the various shop owners and representatives. A donation of \$300.00 was sent to the Maryland School for the Blind with proceeds from the 50/50 Raffle. Members also donated their used ski attire and equipment to MSB.

If you are still undecided where you would like to ski, or the trip that you are interested in has sold out; spaces on other trips are still available, but time is growing short. Don't risk getting left behind!

Happy Holidays and see you at the holiday social on the 7th . . .
. Mike

MEMBER PROFILE: Jeff McBride

I joined BSC in 2004 to take advantage of the many trip opportunities offered by the club. My first trip was Aleyeska Alaska in March of 2005. I have been on one or two trips a year since then, only missing the 2010 season due to work commitments. I have been skiing since about 1975 and my first day skiing was Roundtop in PA where I was amazed to find out that I could not use my hiking boots to strap into the skis! In 1979 I also purchased and starting snowboarding. I can remember bringing my snowboard to the mountains and being allowed to snowboard, before they banned them and eventually started allowing them again in the late 1980's.

Since the late 70's I have both skied and snowboarded every year till about 1996 where I primarily switched to snowboarding, but as several members witnessed at the Vail / Beaver Creek trip this past winter, I did ski one day at Beaver Creek and enjoyed it very much.

In the mid 80's thru late 1990's, my sister opened PJ's Ski and Sport in Harford County. I worked part time every year until they eventually closed in the late 90's. When first opened, there were not less than 10 ski shops operating in the Baltimore area, as we all know, that number is now 2 or 3 at the most. It was a tough business to be in, and I don't miss it.

When not on the slopes, I am a partner in an engineering firm, EBL Engineers, LLC. I and three other partners purchased the firm when the founding members retired in the 1990's. My area of expertise is fire protection engineering and consulting. I am very fortunate to be able to travel around the Country doing projects for several different clients in some very interesting areas. I have worked in Alaska, Arizona, Montana, Wyoming, Texas and California to name just a few interesting locations. Most importantly, I am in a position to choose which projects I will work on, which is a big plus.

I have enjoyed my time with the club and have met many very nice members. I have appreciated my acceptance even though I generally only use one board, rather than two skis. I look forward to more trips in the future and this year I am leading my first trip as a trip assistant to Greek Peak. Look forward to meeting more friends!

DUCKPIN BOWLING RE-CAP

The BSC gathered for another night of duckpin bowling at Hillendale Lanes on Saturday, November 19. The balls started rolling around 6PM and didn't stop till almost 9:30. Returning again were several non-members and they were joined by an enthusiastic group of BSC regulars.

The Jones family was represented with **Mike & Gloria**, and sister **Darla**. Darla was joined on her lane by **Parker** and **Harriett** and **Jon Hopkins**. Mike bowled with **Mary Rose** and her nephew, **Alex**, and their foursome was rounded out by **Beth Reilly** – OOPS! I mean **Muscedere**. We again welcomed **David** and **Cynthia Bender**, **David Welsh**, and **Ann Spooner**, our four non-member guests. They were joined by **Max** and **Myron**, **Jan** and **Mal**, and **Linda** and **Earle Alexander**. With only four people to a lane everyone got to bowl until their arm hurt. Jan again baked a couple of dozen cookies and brought them to share.

For the most part the scores did not measure up to previous bowling nights. Myron had the high game at 125. Anne Spooner (111), Earle(100), Beth(105), and David Welsh (102) also broke 100. Beth had high series with 290. More typical of the bowlers present, however, was all of those not mentioned who managed to have average games in the seventies and eighties, with maybe a ninety here and there. But it doesn't matter how many pins you knock down. We keep score just for bragging rights. What's important is getting to know some of the other members in the BSC a little better and the fun you have sharing an evening with your ski buddies. Afterwards, several of us went out to the famous Owl Restaurant where we had chicken wings and brews.

Why don't you join us next time? For a minimal cost you can spend an evening with your fellow skiers and have a good time. We probably won't have another bowling night 'till after the holidays. Watch the SCHUSS for details of upcoming events because there's a lot more than bowling to choose from. Think snow!
