Hot Tubs & Spas”

Did you know that hot tubs and spas offer many therapeutic health benefits?

Soaking in a hot tub spa provides a multitude of health benefits ranging from stress reduction to muscle recovery.

Be sure to come learn more about the many therapeutic benefits from our guest speaker, Fran Stefanski of Regina Pools & Spas in Timonium.

Warm water Hydrotherapy, has proven effective throughout the centuries. Greeks enjoyed mineral and thermal water baths, similar to modern-day hot tubs and spas, as early as 500 B.C. The ancient Romans were so convinced of the therapeutic value of thermal water that for 600 years their medical treatments were almost exclusively centered on the Baths.

President's Message

Mike Jones

I just got back from our Snowmass trip with the BRSC. Everyone enjoys themselves with good weather, skiing fresh powder and mingling with other clubs. People can't wait until next year where it will be held in Big Sky, Montana. Overall, the trips that have gone on have had good ski conditions and our participant's response has

been favorable. The trip leaders and their assistants have done a good job this year.

We are now looking towards our next year's ski schedule and we are searching for leaders and assistants that can continue giving our participants a wonderful experience. If you have the desire and time, please fill out the form that is in this issue and return to Dave Karczmarek. Our trips are based on willing participants with leaders and assistant in leading these trips.

With Phil seeing his shadow this year, the weather around here has been mild. We are looking at activities (inside and outside) to continue getting us together until the next ski season. See Christopher Pukalski for any adventures that you think that you and others would like to do.

I am now preparing myself for one of our final trips of the year. I will be leading the trip to Copper. Coming back from Snowmass, we could see the resort and mountain and know that the snow that we left will be waiting for us to come back to ski on.

I hope that everyone that has or will ski with us this year has a safe and wonderful trip and we look forward to seeing you on one of our future trips.

Ski safe and don't forget to wear your helmet. Mike

MEMBER PROFILE: Cheryl & Lew Glaeser

Cheryl and Lew are both born and raised in Baltimore and since their marriage in 1990 have resided in Perry Hall. Lew has been a BSC member since 1985 and Cheryl since 1988, they generally travel twice a year with the club out west skiing and have participated in numerous summer activities. While Cheryl several years ago may have preferred blue and single black runs; recently forays into hiking and cat skiing, which have extended her confidence to ski anything the mountain or Lew can throw at her. She has become a true powder hound. This year Cheryl expects to join Lew and try heli-skiing. Lew loves to heli-ski, but also enjoys bumps, steeps and trees. He generally gets over 30 days a year, mostly with other BSC retirees; who as Bob Little likes to say, "We chase each other around the mountain; have a lot of laughs; and later run up a huge bar bill". Retirement allows us to watch where the snow is falling, pack the SUV, and head in that direction. Overall the couple loves to ski together whatever the conditions and has been very fortunate to meet some extremely wonderful folks along the way.

Cheryl is employed by Ashland Inc. and has enjoyed a fruitful and more recently frustrating career, first as an outside seller, and currently as a Sales Manager of nine sellers overseeing a 125 million dollar territory. Lew is owner of his own construction company since 1979 and currently enjoys semi-retirement.

Cheryl and Lew also enjoy water skiing, biking, golf, paintball, time with friends and family and most recently their new venture into whitewater kayaking. Summer days are spent with drink in hand around Cheryl's tropical paradise, her pool. Their 3 two legged children are grown and live out of state, however their 2 four legged 9 year old children, are Dachshund siblings, Fred (Astaire) and Ginger (Rogers). Both are spoiled beyond belief and certain unnamed friends have indicated that when they die, they want to come back as one of Cheryl's Doxies as they are treated like royalty.

The Glaeser's have fond memories of how wonderful the club members were when they made their entrance into the club back in the late 80's. They count themselves very fortunate to have spent time with so many considerate, kind and genuine couples that embraced and helped them to develop a true love for the sport. A special yell out to the Roerinks for their patience during Cheryl's novice skiing days (her first quad diamond run was with Joyce at Whistler Mountain!). Overall the Glaeser's have made some life long friendships that extend way past the ski club and skiing activities. The Club has given them one of life's best treasures, true friends to share memories with and great times with wonderful people.

Non-Ski Activities

As everyone knows, the Baltimore Ski Club does more than just ski trips. We offer monthly meetings with informative speakers. During the summer season, we offer activities such as the annual picnic, pool party, fireworks at the BSO, and the outdoor theater in Annapolis. There is also a volleyball league and a semi-regular bowling night. Each Fall, the BSC sponsors a non-ski trip to an international destination. The BSC has travelled to Italy, England, France, the Greek Isles, and this year plans to head to Turkey.

All of these activities are led by volunteer ski club members and overseen by the non-ski activities committee led by chairperson, Mary Rose Cook. Other members of the committee include the Special Interest Director, BSC Treasurer, the Trips Director, the President, and at large members. The purpose of this committee is to provide members and non-members with non-ski activities and events.

The success of these activities is due to the volunteers who organize and run these events. If you would like to organize an event, including a non-ski trip, contact Mary Rose at (410) 243-8090. The event should be pre-planned with all details included in your proposal so that the committee can evaluate it. With the non-ski trips, three bids from different vendors are required before the committee can consider the proposal. If proposing a non-ski trip, provide a resume with your experience detailing your qualifications to lead such trip.

WE ARE LOOKING FOR A FEW GOOD LEADERS

Ever wonder what makes a BSC ski trip or activity a success? It all starts with the leader! A good leader is critical to the success of the event. If you are looking for a sense of accomplishment, camaraderie, personal growth and more, this may be for YOU!! Do you think you have what it takes?

Be on the lookout for Leader & Assistant Leader applications in the upcoming March issue of the Schuss. Please complete the form and mail it to Dave Karczmarek. All applications must be received no later than April 1st, 2012.

BALTIMORE SKI CLUB

Information for TRIP LEADER APPLICANTS

Thank you for your interest in becoming a ski trip leader for the Baltimore Ski Club, Inc. The selection of leaders is made by the trip committee from eligible applicants based on evaluation of your completed application form. Important factors in this evaluation include (1) the history of the applicant's participation and active involvement in the BSC during the five years (maximum) preceding the season under consideration and (2) the applicant's prior experience record with the BSC. Other parameters affecting eligibility include the following:

- ❄ Applicant should have been a BSC member for at least one season for Eastern trips and two seasons for Euro/Western trips.
- ❄ Applicant for assistant trip leader position on Euro/Western trips must have served as a leader for an Eastern trip. Applicant for Euro/Western leader position must have served as assistant on a Euro/Western trip.
- ❄ Applications will not be considered from persons who have led or assisted on trips for the past two years until all qualified candidates have been placed. Experienced leaders during a sit-out year may submit an application form. However, upon rating by the respective committee, they will be placed on standby status and would serve only as a last resort, pending placement of all other qualified applicants that year. Applicants who are asked to lead or assist on their sit-out year will still be considered as having sat out their year.
- ❄ Assistant leaders will not automatically ascend to Leaders the next ski season. Furthermore, assistants will not automatically take over as leader should the leader withdraw prior to departure.
- ❄ The spouse or significant other of a leader cannot be selected as assistant leader for the same trip.
- ❄ Applicants should be accessible by "local" telephone numbers and a PC is strongly recommended with inter-net access.
- ❄ Applicants must agree to attend a trip leader training session. The general membership meeting is a 'must attend' commitment until the trip departs.

The leader or assistant leader who resigns from a trip after September 1st will be deemed to have served for that season and will be responsible for his/her non-recoverable costs.

Financial records for a trip must be submitted within 30 days of the actual return trip date. Slightly incomplete records are acceptable to meet this requirement. Failure to meet this schedule or to provide complete reports may affect an applicant's future evaluation.

Mail the completed form to: **BSC Trips Director:**

Taos 2012

What a great time we had on our trip to Taos. We would like to welcome seven new members who joined the Taos ski trip and hope they will join us again next year. They were Lawrence Alberts, Fran Damico, Jeffrey English, Neil Ensslen, Nancy Marchetti, Otis Sprow, and John Worden.

After our flight from BWI, we arrived in time for a pleasant ride from Albuquerque to The Taos Ski Valley and a welcome reception by the wonderful staffs of The Snakedance Condominiums and The Taos Ski Valley. Everyone was given a Snakedance Condominium fleece vest that evening. After making our selves comfortable and getting used to the high altitude, we were off Sunday to a great ski week. Short of being a little out of breath a few times, no one seemed to have any problems with the altitude. I guess staying hydrated was the answer. Staying slope side and being able to walk a short distance to and from the slopes is always a benefit.

On Sunday, those taking advantage of the \$99 ski lesson package (\$19 for Baltimore Ski club members), were divided into classes according to their ability and were sent off to become great skiers. Everyone said the lessons were great and my instructor had our class going down some areas that I would not have thought about doing without her encouragement.

Sunday after a hard day on the slopes, some of us jumped into the hot tub to ease those aching muscles. In the evening, we got together for a pizza party, which all enjoyed. It was another chance to socialize with the rest of the group on the trip.

On Monday evening, it was off to the Snakedance general managers' home for a fantastic dinner. It featured a home cooked brisket, green bean casserole, shrimp and potatoes. Before dinner, we were treated to plenty of hors d'oeuvres and a great selection of wines and Margaritas. We were joined by 24 members of The Richmond Ski Club who were also there for the week. Dianne and Roger were the perfect hosts in welcoming everyone to their beautiful home.

Something not seen too much of around Baltimore came out of the sky Tuesday night and we were greeted by several inches of fresh powder on Wednesday morning. In fact, through the rest of the week, we got 9 inches of snow and really learned how to dance around that fluffy stuff. It certainly made skiing the moguls easier.

For those that wanted to take a day off during the week, a trip into Santa Fe for shopping and sight-seeing was made available on Wednesday. A welcome rest for those tired legs.

Only one serious injury as Lorraine Elkerton decided she needed some time off from work and managed to break a bone in her shoulder. We hope it's not too serious and she'll be back skiing in no time.

After what everyone agreed was a great week of skiing and lessons, we were back in Baltimore Saturday evening in time to get a good night's sleep and watch The Super Bowl, which the Ravens should have been in.

NATIONAL SKI CLUB NEWS

SKI CLUBS IN THE NEWS

The online publication, Snocountry.com, published a great article about ski clubs in their January 16 issue. See <http://www.snocountry.com/index.php/component/easyblog/entry/join-a-ski-club-its-a-value-proposition-in-many-ways.html>.

KICKING HORSE PURCHASED

Resorts of the Canadian Rockies (RCR) has purchased **Kicking Horse Mountain Resort** from Ballast Nedam who started the resort 11 years ago. Resorts of the Canadian Rockies is one of the largest resort owners in North America and now owns six ski resorts in Canada, including Nakiska Ski Area in Alberta, and Fernie Alpine Resort and Kimberley Alpine Resort in British Columbia. Kicking Horse Mountain Resort is located two-and-a-half hours west of Calgary, between the Purcell and Rocky Mountains in British Columbia, and sees an average of 23 feet of powder a year, with 27 trails and 106 runs on 2,750 acres.

HAYSTACK OPENS AS A PRIVATE RESORT -- WELL, ALMOST

Haystack Mountain, in Wilmington, Vermont, will reopen as a private ski resort. They plan to sell 900 family memberships that will include skiing, a golf club, an equestrian center, a 35,000-square-foot, slope-side Club Lodge with a stone hearth, spa, wellness center, five-star restaurant, ski valet, and 24-hour concierge. The resort first opened in the 1960s and was then purchased in 1991 by the owners of nearby Mt. Snow, who then sold Haystack again in 2005 to a group of locals. In addition to the member-only access to the slopes, the owners will offer 250 daily lift tickets at reduced cost to Wilmington and Dover residents.

VAIL'S NEW GONDOLA TO CELEBRATE 50TH ANNIVERSARY

Vail Mountain is constructing a new gondola to replace the 26-year-old Vista Bahn Express lift in Vail Village. Completion of the new gondola will coincide with Vail's 50th anniversary in December 2012 -- just in time for the opening of the 2012-2013 ski season. The state-of-the-art gondola will even offer free Wi-Fi on board. It is, of course, subject to Town of Vail and U.S. Forest Service approval.
