Turkey, known officially as the **Republic of Turkey** Eurasian country located in Western Asia (mostly in the Anatolian peninsula) and in East Thrace in Southeastern Europe. Turkey is bordered by eight countries: Bulgaria to the northwest; Greece to the west; Georgia to the northeast; Armenia, Azerbaijan and Iran to the east; and Iraq and Syria to the southeast. The Mediterranean Sea and Cyprus are to the south; the Aegean Sea is to the west; and the Black Sea is to the north. The Sea of Marmara, the Bosphorus and the Dardanelles (which together form the Turkish Straits) demarcate the boundary between East Thrace and Anatolia; they also separate Europe and Asia.

Turkey is a democratic, secular, unitary, constitutional republic with an ancient cultural heritage. Turkey has become increasingly integrated with the West through membership in organizations such as the Council of Europe, NATO, OECD, OSCE and the G-20 major economies.

Bike Ride—Oxford Loop Sunday June 10th

This excellent loop between Easton and Oxford is the classic Maryland Eastern Shore ride. Along the way, you visit several quaint little towns, ride across a ferry, and perhaps do some shopping in St Michaels. As an added bonus, this ride is located almost exactly half-way between Washington and the beaches. Thus, it's a great way to break up your trip to the shore.

There are a number of good places to start this route. If you are on your way to the beach, you can stop in Easton's Idlewood Park, which is an easy ½ mile west of Route 50 along Dutchman's Lane. St Michaels also makes a good start, (especially if you are spending a few days there.)

This is basically the same ride as #57 from *Chuck and Gail's Favorite Bike Rides*, with a few minor improvements here and there. The route itself is quite flat. The only "hill" of any substance is at the bridge on Route 33 near Royal Oak. Routes 33 and 333 are fairly busy, however both roads have a nice 8 foot shoulder (signs are posted requiring that bikes use the shoulder). The remainder of the route follows sleepy old country roads that typically see very little traffic. One exception: the 1 mile section of Dutchman's Lane just east of Route 50 is a bit harrying now due to new housing developments. Use caution here.

The highlight of this route is the visit to [Oxford, MD](#) and the ferry crossing over the Tred Avon River. The [Oxford-Bellevue ferry](#) is billed as the "Nation's Oldest Privately Operated Ferry Service". It began operation in 1683, and has run continuously since 1836. While waiting for the ferry, enjoy a bite to eat from the Oxford Market & Deli (locate just a few blocks before the ferry). The 10 minute ferry ride will cost you \$3.00 per bike (\$8.00 for cars plus \$1.00 for each additional passenger).

The longer ride will take you out to [St Michaels, MD](#). This is a favorite Washington getaway lo-

cation, with many B&Bs, shops, and restaurants. St Michaels is also home to the [Chesapeake Bay Maritime Museum](#). The suggested bike route snakes through the back streets of town and past the harbor. There are a bunch of short turns in this section, so you might be better off following the map to the left.

From Washington, take Route 50 out past Annapolis and over the Bay Bridge. About 18 miles after the Route 301 split, Route 50 enters Easton, MD. There are many gas stations, hotels, and eateries along this built up section. Make a right turn onto Dutchman's Lane, which is at a traffic light near the south end of the built up section. Travel about ½ mile on Dutchman, and then make a right onto Aurora St. There are many shaded parking spaces along the left side of the street, next to Idlewild Park.
