PRESIDENT'S MESSAGE

By Mike Jones

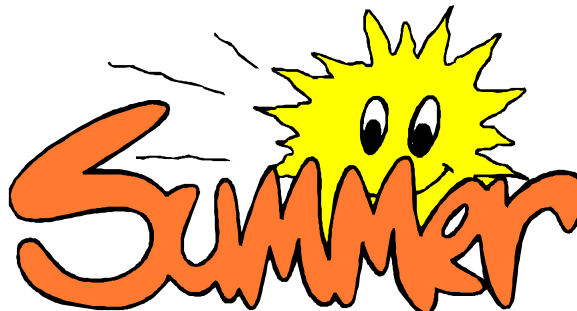

Summer is here and the temperature is rising. I hope everyone is enjoying the beginning of summer although I personally don't care that much for the heat. That's why I love winter vacations. Although skiing is still two seasons away, we need to remind you that some trips have limited space, and that you may need to consider where you want to go sooner rather than later. This especially applies to the Blue Ridge Ski Council trip to Vail. We must cut rooms and airline seats in September or we will get hit with severe penalties. After the vacant rooms and air is released we may not be able to get it back so if you are interested in the BRSC trip to Vail don't wait!

Every year it has become increasingly difficult for our wholesalers to get flight times and prices on flights by the June picnic. As I'm sure you can understand, they don't want to respond to a bid request without knowing what to quote for the air. Many bids came back this year as "land only" contracts. The trips committee cannot evaluate the various bids until all of the information is available. Unfortunately, this delay by the airlines has a domino effect and therefore our trip pricing was delayed.

Instead of the first Wednesday in July for the Padonia Station, it will be held on the second Wednesday so it won't impact your July 4th week. Hope to see many of you there. Check our website (that has been revamped) and constant contact for the latest events and happenings for the summer. We are always looking for activities to share with you so contact Christopher Pukalski if you have an event/activity.

Our Exec. Council took off for July but we will be back in August to plan our topics for our General meetings starting in September. I wish everyone have a Happy and Safe 4th.

Mike

BSC Bike Ride - Sunday June 16th

The BSC Bike ride on Sunday June 16th was a success as we had both Rob Baumann (Iron Man) & Barbara Seltzer (the Flash) join Chris Rose for a 22 mile ride on the NCR trail.

We started at the Paper Mill Road park & ride Sunday Morning the 16th at 9 am sharp. We had a slight overcast which helped keep the weather cool. The ride is lovely as we rode under the tree canopy going north to White Hall. In fact the breeze created by riding at 10 mph. made for a very enjoyable ride.

We had several Breaks along the way to rest our weary Butts & legs. We would take photos & just talk amongst ourselves.

Being Father's day , we saw lots of families out on their bikes or just strolling along.

It could not have been nicer.

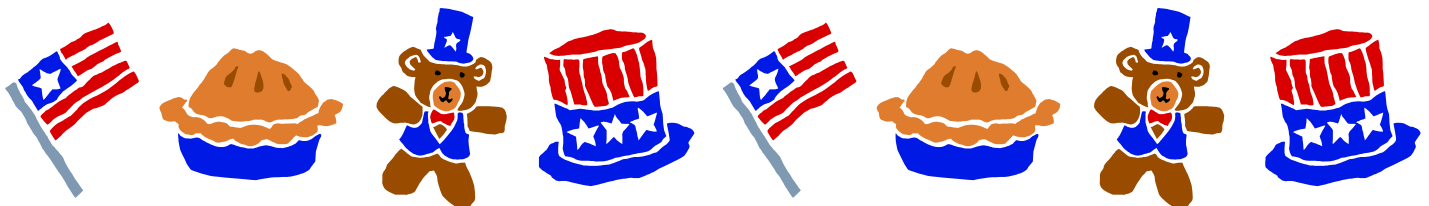

We were back to our cars at 12:15 with the rest of the day left to do other activities.

Please come join me next time we run a bike trip as I think that you will have a great time & meet new friends.

Watch the Schuss for another bike trip in the Fall !

Season Ski Passes an Option

This year the Baltimore Ski Club is sponsoring trips to three resorts that can be accessed with the EPIC PASS Season Ski Pass. If BSC members go to 2 of the 3 resorts—Breckenridge, Vail or South Lake Tahoe - the Epic pass may be a viable option that could save participants some significant \$\$\$.
