## PRESIDENT'S MESSAGE

By Mike Jones

### Greeting BSC Members

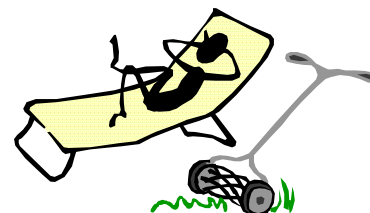

We are already into August and apparently the summer heat has turned up the rate of ski trip sign-ups. Our members have been busy planning their winter vacation[s] because our ski trips are doing well with some trips over half full or sold out! Don't despair if you didn't get on the trip you want because it was full and were put on a wait list; as a past trip leader I know things change and spaces can become available. Now is the time to shift from our spring & summer social activities into our wintertime pursuits.

Did you know that BSC Membership has Benefits? That's right . . . all 2013-2014 BSC members are eligible to win a GoPro Hero 3 Silver Edition Camera (approximate retail value \$300). For each 2014 BSC ski trip you go on (BSC day trips not included) your name will automatically be entered to win. So the more trips you sign up for, the more chances you will have to WIN! So select your trip[s] and sign up today. Two cameras were provided by Vail Resorts for this "GoPro Camera Promotion" so two lucky club members will receive a camera.

Be sure to "Save the Date" for our next and last summer meeting on **Wednesday, August 7** at Padonia Station. Come out and find out what trips your ski friends have signed up for and talk to trip leaders and/or assistants. Also, don't forget our annual pool party on August 24 and our Happy Hour at the Riverwatch on August 16<sup>th</sup>. I hope to see you at these events.

I would also like to issue a challenge for each member to help promote the Baltimore Ski Club to your family, friends, and co-workers and encourage them to "join the Club"! Just imagine if every member brought one new member to BSC, our membership would double! Remember it's your Club and each of us can help make it bigger and better than ever. Enjoy the rest of your summer and see you at Padonia Station.

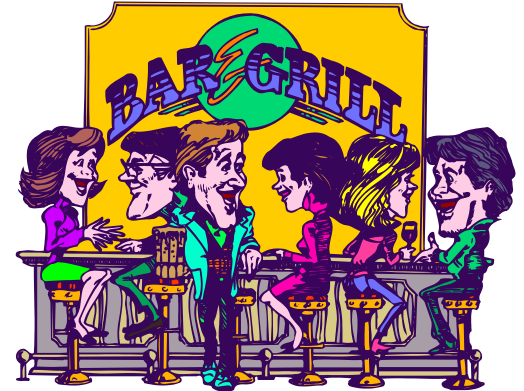

Mike

The August 2013 Baltimore Ski Club happy hour will be Friday the 16th at the River Watch in Essex. The River Watch has an outdoor deck and a dock (boaters take note). It looks out on the Middle River. The BSC had a several happy hours here and it was very popular. It is located at 207 Nanticoke Road, 410-687-1422. The club members start showing up right after work with an influx starting around six. Come out and enjoy the end of a workweek with club members and friends. It is a little out of the way, so here are the Directions:

Take I-695 to Essex exit 36 to MD Rte 702  
 3 miles Left onto Middleborough Rd  
 2 miles name change to Hilltop Ave  
 0.2 miles Right onto Middleborough Rd  
 0.6 miles Left onto Nanticoke RD  
 0.2 miles to River Watch

### **BSC Summer Volleyball**

Did you know – the Baltimore Ski Club has an active volleyball group that has been playing every summer for over 25 years! Many of you will remember three nets going at once on the grass at Oregon Ridge followed by beer and pizza at Shakey's. (Anyone remember the banjo and piano playing Dixieland?) For a good number of years we also had winter games indoors at Hillendale and Rogers Forge schools. Shakey's is long gone, but the summer games have survived and are still going strong.

In twenty five years we have had players marry, have children, and now those children are playing too!

What a great way to spend a summer evening getting a little exercise. The pick-up games are Wednesday evenings from 6:45 till dark at Oregon Ridge Park. Our season runs May thru early September. Current BSC members, ex-members and friends are all welcome.

Come out and join us. Contact Dick Simmons 410-409-5552, [dsimmons72@msn.com](mailto:dsimmons72@msn.com) for more info. There might be a little beer and pizza too!

### **ORIGIN OF VOLLEYBALL**

On February 9, 1895, in Holyoke, Massachusetts (USA), William G. Morgan, a YMCA physical education director, created a new game called *Mintonette* as a pastime to be played (preferably) indoors and by any number of players. The game took some of its characteristics from tennis and handball. Another indoor sport, basketball, was catching on in the area, having been invented just ten miles (sixteen kilometers) away in the city of Springfield, Massachusetts, only four years before. Mintonette was designed to be an indoor sport, less rough than basketball, for older members of the YMCA, while still requiring a bit of athletic effort. After an observer, Alfred Halstead, noticed the volleying nature of the game at its first exhibition match in 1896, played at the International YMCA Training School (now called [Springfield College](#)), the game quickly became known as *volleyball* (it was originally spelled as two words: "*volley ball*"). Volleyball rules were slightly modified by the International YMCA Training School and the game spread around the country to various YMCAs

## Ski Gear - What you need to go Skiing?

### Base Layer

#### **Thermal Body Shirt**

Depending on the temperature, (make sure to check this) you will want to use Thermal Underwear as the first level of clothing. It will keep you warm and dry by transferring moisture to the next layer.

#### **Thermal Pants**

Like the Thermal Body Shirt, Thermal Pants are also essential in order to keep you warm, dry, and protected.

#### **Ski Socks**

To keep your feet warm, dry, and padded against hard impacts, you will want to use thick socks, preferably special Snowboarding socks that will give you more specialized features.

### Second Layer

#### **Fleece Jackets or Sweater**

As a second layer, you will want a Ski Fleece or a Wool sweater. Wear one that meets your requirements.

#### **Ski Pants**

Put your Ski Pants on top of your Base layer. Good Pants should keep you padded, warm, and dry.

#### **Ski Boots**

You need Ski Boots that will work together with your Ski Bindings to keep your body connected to your Skis.

### Finishing the Basics

#### **Ski Helmets, Ski Hat, or Beanie**

Do not expose your head and ears to extremely low temperatures. Protect them with a comfortable hat or beanie. For additional safety measure, protect your head with a Ski Helmet.

#### **Ski Goggles**

Protect your eyes from sun's rays, Snow, and Ice with snowsport goggles.

#### **Ski Jacket**

Finish off your upper body layering with a waterproof and windstopping Ski Jacket or top shell.

#### **Skis**

Skis are the focal point of Skiing. It is essential to have the appropriate pair for you.

#### **Ski Bindings**

Attach your Ski Boots to your Skis through sturdy Ski Bindings.

#### **Ski Gloves**

Protect your hands from Snow, Ice, and impacts by wearing padded gloves.

#### **Ski Poles**

To finish off the essentials in Skiing, you need a pair of Ski Poles.
