The GOOD,  the BAD, 
And the CHOCOLATE!

Chocolate has always been perceived as a romance food. Not only is it the season of love, but also a time to learn about the health benefits of chocolate that many of you will be indulging in this Valentine's Day.

Our guest Kimberly Rigby, Proprietor and Chocolatier of **Perfections**, will be doing a presentation and product sampling of her truffles.

Be sure to come learn and indulge in her chocolates (you won't feel overly guilty about it after you learn about the health benefits!)

There will be a drawing for a door prize donated by 'Perfections'

FREE CHEESE, FRUIT and SNACKS TO PAIR WITH CHOCOLATE

Beer, wine, and refreshments for purchase

PRESIDENT'S MESSAGE

By Mike Jones

I hope everyone enjoyed January's meeting. Our speakers, Rhonda Drew and Eric Lapp from Capitol Luggage discussed the difficult task of packing for a ski trip and products to help make packing easier. Everyone was given a free raffle ticket to win one of two prizes graciously donated by Capitol Luggage. Brad Schlegel, longtime Club member, won a 'Pack-it' tote as a door prize, and my wife, Gloria, won the Eagle Creek duffle bag. I will miss the February meeting as I will be on the Mt Bachelor trip. LuAnn Snyder has arranged for a local chocolatier, '**Perfections**' to give a presentation and free product sampling. I'm sure sorry to miss this one! Maybe someone can save a truffle or two for me!

As some of you may know, Mark Jones and I are twins. We celebrated a milestone birthday recently. I won't tell you the age, but it ends in a zero. Our wives and sister threw us a surprise birthday party at the church and boy were we surprised! We thought it was a meeting about the furnace. Mark had been painting and showed up in his work clothes. And me, I was late! But it was a great party. Thanks to Sharon, Gloria, and Darla who I know are reading this. Happy Birthday to all of our February babies, regardless of your age - you know who you are.

The 11th annual **Ski4Life** Ski and Snowboard event will be held on February 7th at Roundtop Mountain Resort to benefit the Leukemia & Lymphoma Society. As you may know, **Ski4Life** is a 6 hour ski and snowboard marathon where participants raise money for the LLS mission-to help find a cure for leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families. BSC member, Nancy Berger, will be participating in the event this year. You can help support Nancy's fundraising efforts by going to the following link <http://www.lls.org/pages/cpa/ski4life2015/NBerger>

I wish everyone a safe and enjoyable ski season this year!

Mike

Okemo, Vermont

A sudden burst of comments on the BSC Facebook page was veritable proof that the Okemo bus trip successfully launched the ski season. Special thanks to Viv Lettsome for posting a broad range of photos that included scenes from Ludlow and Killington.

Despite an unexpected delay with our initial departure from White Marsh, we arrived at The Pointe Hotel about half-past midnight. After a hearty breakfast on Friday morning, club members used the tour bus to make two short runs to the slopes of Okemo for a full day of skiing. The mountain was four miles from the hotel, and the slopes were visible from the hotel entrance. Okemo slopes were well-groomed and featured a brand new “bubble” chair lift called the *Sunburst Six*. The orange, plastic half-vaulted bubble protects a maximum of six skiers from harsh winds and has heated seats. Trip leader Myron Oppenheimer schussed a small group of skiers down the scenic *Sachem* trail that was flanked by modern chalets. BSC members convened for lunch at the Summit Lodge, which enabled everyone to exchange observations about trail conditions and routes. Camaraderie persisted during an evening après ski party at the Outback Pizza Parlor in Ludlow, Vermont.

Saturday morning, half of the group decided to take the hotel shuttle bus back to *Okemo*, and the other half used the tour bus for a thirty-minute ride to *Killington's Skyeship Base Lodge* gondola. Killington has five base lodges that are connected by free shuttle buses, and the resort encompasses over 1,500 skiable acres. So, BSC members branched out to explore the vast terrain. Bright sun counteracted the frigid,

single-digit temperature. The frosty trees of Killington Peak looked like a winter-wonderland and clear sky provided a view of the distant mountains. However, ski conditions were quite a challenge due to intermittent patches of icy hard pack. After a strenuous day of skiing, many club members made a beeline for the hotel pool and hot tub.

Continued next page

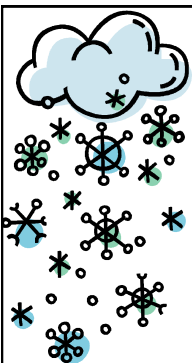

The greatest disappointment on Saturday was the Raven's loss to the New England Patriots. Club members branched out to find a good TV screen and dining. One group enjoyed dinner at *Killarney's Irish Pub* in Ludlow, while a small group remained at the *Pointe Hotel* lobby to enjoy Chinese carryout. Many thanks to Deborah Sturpe, a BSC member from Maine, who joined the group for a long weekend and also used her car to run errands.

(l-r) Assistant Trip Leader, Jocelyn Curtis her husband Jim at Killington 1.10.2015

Our third and final ski morning was spent at *Okemo*. Due to an inclement weather forecast of a potential ice storm for the East Coast, Myron made the wise decision to depart an hour early. Fortunately, we returned safely to White Marsh before the sleet began, and 29 skiers have new fireside stories for this season.

Cross Country Skiing

Anyone interested in some cross country skiing? Anytime there are a few inches of snow locally (or a short drive away), I enjoy getting out the 'skinny skis' on the NCR trail or a park. There is nothing like a sunny winter day enjoying the outdoors with no crowds. Some think this is 'a lot of work' but it's really whatever you want – a light workout or a marathon. If you have equipment and would like an email if conditions are right, please contact me.

With great sadness the Baltimore Ski Club learned of the death of past member Stan Adamski.

Stan died peacefully at home on January 4, 2015. He was the husband of another long-time member, Gloria Adamski. He was the loving father of Brian Adamski and his wife Justine and Karen Adamski; dear brother of Carol Averil and Richard and Robert Adamski; "Grandad" to Devin and Jackson. In lieu of flowers, expressions of sympathy may be directed in Stan's memory to The [Leukemia And Lymphoma Society](http://www.lls.org) National Office, 1311 Mamaroneck Avenue, Suite 310, White Plains, NY 10605 or visit www.lls.org.

Let the rest of the Club know what's going on in your life so we can celebrate with you!

Urban Dictionary: **gaper** /'gāpər/

Are you familiar with the term "**gaper**"? A **gaper** is a skier or snowboarder who is completely clueless. They're usually distinguished by their outdated once-piece suits, bright colored clothes, skinny skies and rear-entry boots. Gapers also do the "gaper tuck" which is an attempt at being a ski racer by tucking; however, it is done incorrectly with the poles sticking straight up like thunderbolts and lighting, very frightening!

MONTANA'S NEW SKI LICENSE PLATE
