“Stand-Up Paddling” [SUP] is the fastest emerging water sport in the world. **Hal Ashman**, Chief Adventure Officer of **Ultimate Watersports**, the largest SUP on the Chesapeake Bay, will talk about SUP and its popularity among the skiing and boarding community.

Hal will educate us and give us the low-down on what's changed, what's new, and what's hot in with SUP in 2015. He will also bring a paddleboard.

The sport is an ancient form of surfing and has re-emerged as a way for surfers to paddle longer distances. Many surfers have converted because of the versatility stand-up paddle boarding offers.

Drawing for a door prize of SUP lessons for two donated by Ultimate Watersports.

We will be having corned beef sliders in celebration of St. Patrick's Day.

Beer, Wine and Sodas will be available for sale.

PRESIDENT'S MESSAGE

By Mike Jones

Wow! What a season we're having. New England is getting dumped on while our western resorts are searching for the white powdery stuff. Massachusetts is bracing itself for another blizzard, already shattering the record snowfall for February. After Punxsutawney Phil saw his shadow, Boston police had an APB out on him putting poor Phil on the most wanted list. For those who are skiing on the East this year... you lucky devils.

I've just returned from our trip to Mt. Bachelor and will be leaving for our Winter Park trip very soon. BRSC members on the Mt. Bachelor trip entertained themselves by visiting areas of Central Oregon. Many of the participants snow-shoed around Crater Lake, explored the Lava Tubes, or hiked at Smith Rock on one of the days off skiing. I managed to ski four of the six days during the week. Participants also enjoyed the events that Blue Ridge put together, including a mega Super Bowl party, Night at the Museum, and our farewell party that had fire dancers, Hawaiian singers, and Hula dancers symbolic of the volcanoes in this area. I want to thank Dan Ellis and Ann Cook for helping me put these events together. Unfortunately, Ann came down with the flu that put her out of action all week so she could not see the fruits of her labor. Mt Bachelor received 24 inches of new snow the day we left.

We are two months into our season with one month to go. The Trips Committee is beginning to plan 2016 ski trips. Currently, the only trip that we have scheduled is the BRSC Snowbird/Alta for the 1st week in February. All other trips scheduled will be decided based on surveys from our members. Please note your preference on these surveys so we can schedule the trips you want to attend.

Our April meeting will be our final one for this season. It is "Shrimp and Picture Night". For the meeting, I compile pictures that people take on their ski trips and prepare a slide show. I need you to send me your pictures or links on the internet where they may be residing so that we can again have them for others to view in April. Enjoy the rest of the ski season and I'll see you at the March meeting. Mike

Mt. Bachelor, Oregon

A trip that was in the planning for several years began on an early Saturday morn when 31 participants met at BWI. Our flight to Portland, Oregon was uneventful and we were met at the airport by PAUL and DIANA GRAY who had flown out from South Carolina a day earlier. On this trip was our president and the BRSC Coordinator for the Mt. Bachelor trip MIKE JONES who along with Dan Ellis and the folks at Mt. Bachelor and Bend, Oregon worked hard to make this BRSC Western Carnival to rival none.

We arrived at our destination The Riverhouse after a slight delay due to a wrong turn from the bus driver and received our packages and meet some of the other club's participants

Sunday morning everyone was ready to ski after a hearty breakfast but the weather would not cooperate. It was a wet day in Bend and we hoped that the precip on the mountain would be snow. We did have some snow but also sleet and rain. BRIAN and MARY DEVLIN elected to take the day off. BONNIE ADLER a Fagowee member traveling with our club met her fellow Fagowees to ski. LINDA ALEXANDER was joined by her roommate ANITA ALLEN who came to Mt. Bachelor via New Jersey. They joined their ski buddy "MAL" MILHALOVICH for this trip. BONNIE and JERRY YEOUMANS occupied the Gilchrest Room, the only condo style room in the hotel. I believe it is destined to be converted into standard rooms in the near future. Even though Bonnie would not be able to ski due to surgery several weeks earlier they couldn't pass up this trip as they were met by their son and two grandsons from Portland who kept Jerry company on the slopes. The conditions due to the weather tried us all and CATHY GREENAWALT fell victim to it. After thinking she may have suffered ligament damage she was then diagnosed with a sprained knee. Her roommate SALLIE BUNCE became her aide and helped her get through the week.

Sunday evening was the first of the three great BRSC events put on for this trip. "SUPERBOWL SUNDAY" was everything we could have hoped for with the exception of The Ravens not being in it—big movie type screens and food and drink that any tailgater would be proud to serve. The majority of the people seemed to be rooting for the Seahawks as most of us were in despair that the Patriots had denied us a return to the BIG Game. The Pats did have their supporters as attested by the table occupied by the Grays who also had their son PAUL JR., his wife TINA and son PEYTYN on this trip. BILL SHEWCHUK was also at their table and all were wearing their Pats clothing for all to see. The game came down to the wire but their team came up winners. Why did the Seahawks not run on second down?

Monday was a wash out for everyone. Some explored the town and a member from the Richmond Ski Club who was a practicing Yoga Instructor taught a class which was attended by about thirty people. The Grays rented a car and they toured the University of Oregon so that Peytyn could look the campus over. The Assistant Trip Leader for this trip DAVE KARCZMAREK arranged for a drinks and appetizer party at The Riverhouse which was well attended Monday evening.

Tuesday was not promising but many wanted to ski as it was Race Day. The race was delayed and many decided it was too wet to ski. I congratulate all who did participate including club

members LEW GLAESER, DAVE KARCZMAREK, JOHN MORRIS, CHRISTOPHER PUKALSKI, KEN SPROUL, DAN VANGELDER and me. If this had been an official NASTAR RACE Lew would have won a Platinum, Ken a Gold and Dan a Bronze Medal. Lew was second fastest in his age group as was Ken. Dan was first in his age group. To put how challenging the weather made the race I only have to say that JOHN BARLOW, CHERYL GLAESER, BETH MUSCEDERE and DAVID MCCLELLAND all members who have done many BRSC trips in the past and raced did not race this time. Most went back early to The Riverhouse to dry out for the second great BRSC Event "A NIGHT AT The Museum" where after a very nice dinner we had a close encounter with a Bird of Prey presentation. Those at the front tables may have had too close of an encounter as our guest bird was not the most tidy of eaters. There was also much else to view at the Museum before we called it a night.

Wednesday was a no precip day and for those who skied it was the best day of the week. Many actually saw the summit and skied it. CATHY JENKINS, ALAN LEBERKNIGHT, DON MARSTELLER, JIM TABELING, and BILL TYDINGS were all seen on the mountain. CHIP GREEN was not there as he was one of many who did the optional excursion to Crater Lake via snowshoe. That was just one of many optional excursions that was offered by Wanderlust Tours and many took advantage of the bad weather to do some of those.

Thursday we again had some weather issues, not much precip but wind and fog. I skied with DICK SIMMONS a long time BSCer who was with the Columbia Ski Club with his wife LINDA this time out. All will be forgiven Dick if you ski with us next year. Thursday was also our Farewell Dinner and it was once again a Spectacular Event. A Pacific Rim/Hawaiian Theme Event. It started outdoors with The Spinsterz fire dancers performance and then inside to the sounds of Bill Keale on slake guitar. There was also a great performance by the Hokulea Dancers. We still had time for the BRSC Race Awards and plenty of Hawaiian themed food and drinks a plenty.

Friday was windy but the few who did venture to the mountain were rewarded with the second best day of skiing. The lifts were limited but what could be skied was great due to it snowing.

Saturday we left to arrive safely home and many wondered what could have been a great ski trip if the temperature had been about 5 degrees colder. For myself and I hope many others the mystery of Mt. Bachelor will be discovered on a future trip.

Cross Country Skiing

Anyone interested in some cross country skiing? Anytime there are a few inches of snow locally (or a short drive away), I enjoy getting out the 'skinny skis' on the NCR trail or a park. There is nothing like a sunny winter day enjoying the outdoors with no crowds. Some think this is 'a lot of work' but it's really whatever you want – a light workout or a marathon. If you have equipment and would like an email if conditions are right, please contact me.
