TREES 101

As we go on ski trips out West or here in the East, many of us enjoy skiing through the trees and glades for the challenge and beauty. But many of us are not aware of the goals and objectives the State of Maryland DNR does to restore, manage, and protect Maryland's trees, forests, and forested ecosystems to sustain natural resources to preserve for future generations.

Be sure to go out on a limb and come get an education about trees and forestry from our guest speaker, **Rob Prenger**, who is with the Maryland DNR Forest Service. Rob will enlighten us on the many programs that the Maryland Forest Service does to help citizens restore tree cover on public land and community open space.

Proceeds from 50/50 will be used to purchase tree [s] through **TREE-MENDOUS MARYLAND**

Q Why do trees hate tests?

A Because they get 'stumped' by the questions!

Come hungry, Towson's Hot Dog Guy Troy Bolling will be outside grilling up **FREE** hot dogs and sausage.

Beer, Wine and Sodas will be available for sale.

PRESIDENT'S MESSAGE

By Mike Jones

WOW! The trips committee really dialed in this year to where club members wanted to ski. With the economy improving the committee decided to add another western trip to this year's schedule. Your response has told us this is what you wanted. Three of the five western trip destinations are full and wait-listed and the other two are nearing capacity. Check with the trip leaders to see where you stand if you are on the wait-list.

The three Eastern trip destinations are also selling well but still have space available. Checking in with the Farmer's Almanac it looks like another snowy winter for the northeast so it's a good bet that you will have plenty of snow on which to ski/snowboard.

Members, after every trip you are asked where you want to ski in the next ski season. Don't be surprised. Do a little research on the internet now so that after that trip in January you'll be ready to fill in the form. Members who go on multiple trips have more voting power as they get to fill out a survey each time they go on a BSC trip.

Yup, autumn has officially arrived. I'm sleeping with the windows open and the AC off. Ski shops and resorts are stocking up on the latest ski equipment and apparel. That means they have to clear out last season's gear. This is when you can get good deals on some new ski stuff. The shops and resorts also sponsor ski swaps at which you can sell your old stuff. The Baltimore Ski Club usually has a presence at these functions to promote our club as well as our trips for the coming year. There is a list of these events in this newsletter. Please help promote your club. More members=more trip choices. Look at the list and if you can give a little time to hand out flyers and talk about the BSC, tell Myron Oppenheimer and he'll add you to the schedule. We'll have the tables, signs and flyers for you.

In October, Gloria and I will be going up to New England for our nephew's wedding. While we're there we'll be spending a few days at some of the ski resorts, viewing the fall foliage, and surrounding area before they turn white. I'm eagerly anticipating this ski season which will be here before we know it.

See you at the October meeting, Mike

The Baltimore Ski Club was saddened to hear of the passing of a long-time former member....Joel Wolf Becker, 83, of Parkton, MD passed away 8/31/15. Joel was a long-time member of the Baltimore Ski Club. He originally joined the club in 1985 and skied through 2010 but had to give the sport he loved up due health concerns. Joel had a long and distinguished career with the City of Baltimore and besides skiing enjoyed, swimming, the beach, and weight training. He is survived by his three children, Michael Becker of Wake Forest, NC, Steven Becker of Baltimore, Maryland, and Susan Becker of San Diego, California. Also survived by his 3rd wife Bonnie Becker. Anyone who would like to remember Joel are asked to send a contribution to the Humane Society. At this time only a private family memorial is being considered.

“Tour of Germany and France”

The BSC “Tour of Germany and France” took place on August 20-August 31, 2015. We took 45 participants and flew on a direct flight from BWI to Frankfurt, Germany on Condor Airlines. This was a great and easy flight with no stops. Once at the airport in Frankfurt we boarded our bus for Nuremberg, our home for the next 6 nights. While in Nuremberg, the group stayed at the Maritim Hotel. This was an excellent hotel located across the street from the historic area of the city. The hotel was very high end with a large marble foyer, excellent and large dining room for breakfasts and dinners. During our time in Germany we had guided tours of Nuremberg, Wurtzburg, Rothenberg ob der Tauber, Heidelberg and Regensberg. One place was better than the next. On the 6th day we left Germany for our next 4 nights in Strasbourg, France. While in France we had guided tours of Strasbourg, Colmar and Riquiwihr. The hotel for the group in France was the Hotel Mercure Centre Strasbourg. This hotel was excellent located just a 5 minute walk from the main square and cathedral. A boat tour in Strasbourg, a tour of the Mercedes Museum in Stuttgart and a tour of the Palace of Justice in Nuremberg were also included in the trip. The food, tours and sights were one in a million.
