PRESIDENT'S MESSAGE

By Mike Jones

You don't want to miss this month's meeting! It's our annual Ski Expo. There will be representatives from over eighteen different ski shops and resorts exhibiting what's new for 2016 as well as offering information and deals! Many, many thanks to Luann Snyder, who has worked so diligently putting together this great ski fair.

As many of our members know the BSC has worked with two charities in recent years - Maryland School for the Blind and Ski 4 Life. The Baltimore Ski Club has partnered with the Maryland School for the Blind for several years. The courage and enthusiasm these blind skiers show is awe inspiring. A representative from MSB will be at the November meeting and Ski Expo on November 11th. Check out the list on the front page of the newsletter. If you have any of the items listed that are still in good condition, please bring them to our next meeting. I know I've got to look for a different place to store my ski clothing because they seem to shrink over the summer.

Nancy Berger has volunteered again to represent our club at the Ski4Life event. This is a 6-hour ski and snowboard marathon, where participants raise money for the LLS mission- to cure leukemia, lymphoma, Hodgkins disease and myeloma as well as improve the quality of life of the patients and their families. Let's help Nancy reach her goal. Go to the Ski4Life website and pledge a donation.

Next month, before the festivities at the December meeting the BSC Election will be held. We need **YOU** to get more involved in your club. This is an important night as the members voted into office will make decisions that affect us all for the next ski season. Your attendance and your vote at this meeting are strongly encouraged. In addition to voting, please consider running for office. Sharon Albaugh is taking over from Mary Nichols and will be in charge of the election. For more information about the duties of the various positions or if you would like to run for office please email Sharon at Schusseditor1@verizon.net or call 410-284-6264. In October, my wife Gloria and I went to New Hampshire for a wedding after which we expected to be able to do some leaf peeping. Unfortunately, Mother Nature had other ideas. New England was got hit with their first snow storm. Instead of yellow, orange, green, and red, everything was white. Resorts in New England will be opening sooner than you think. If you're still thinking about an Eastern ski trip it's time to stop thinking and start doing!

Locally, it's the perfect time to go to our local ski shops to look for deals. I want to thank all of the members who have donated their time to work ski swaps, distribute brochures, and just spread the word about the benefits of being a member of a great club like the BSC.

Hope to see you at our November meeting. Mike

Ever been to a Zombie Prom? Well, certain members of the Baltimore Ski Club can now say that they have been. On Thursday, October 15th, BSC members joined the Zombies at Spotlighters Theatre to attend the "Zombie Prom". Everyone enjoyed this musical set in the 1950's and reminiscent of "Grease", but with Zombies. The Spotlighters is a small, intimate theater with every seat close to the stage. You feel like you are part of the production. The acting and singing were fabulous. Some of the attendees met for dinner before the show at a local eatery. We also had drinks in the lobby of the Spotlighters before the show. Everyone had a great night and is looking forward to the next BSC night at Spotlighters to see ... "A Tuna Christmas". See you there. Call Christopher at (410) 292-6656.

BSC RIDES AGAIN

We had a great day for our – BSC Bike Ride on Saturday morning October 10th. Three of us, Rob Baumann, Robert Antreasian and I got together for 3 hours of fun and exercise. We met at 9 am at the very crowded Papermill Road Park & Ride. Sunny weather and a somewhat crisp temperature (53 degrees) greeted us as we headed north to Monkton (7 miles up the trail). With the great weather, the lot was overflowing and we saw over 100 people walking, jogging, running, or riding their bikes as we headed north.

A slight hint of fall colors could be seen here and there. I believe the height of fall color will be there in 3 more weeks. Those of you who ride the North Central Railroad trail know that it is mostly up a slight grade as we head north. It's more enjoyable to ride south (downgrade) back to the Paper Mill Road Park & Ride. We stopped several times to rest and take pictures. At the Monkton Station we sat on their benches and rested our butts. I for one need several breaks to make the trip enjoyable. We each enjoyed an apple while we discussed what we had seen and what our ski plans were to be for the coming year. Then at 11am we headed back, enjoyed the views of the river to our right and took more pictures. Back at the Park & Ride at noontime as planned, we rode about 14 miles or so. A good time was had by all. Join me / us, next time as we ride the NCR trail. Thanks, **Chris Rose**

HIERARCHY OF SKIING

Membership in the Baltimore Ski Club has its benefits. As a member of the BSC, not only do you enjoy the camaraderie of other ski enthusiasts but savings on ski trips organized by the club. Other savings benefits members are entitled to are rebates on ski helmets, ski lessons, and NASTAR races.

Year-round activities are also available to members such as volleyball, bowling, bike rides, happy hours, and summer vacation getaways to name a few. The Baltimore Ski Club is a member of the Blue Ridge Ski Council and Eastern Pennsylvania Ski Council as well as the National Ski Council Federation.

The Blue Ridge Ski Council (BRSC) is an organization of member Ski Clubs throughout the Mid-Atlantic States. BRSC clubs, such as the BSC and their members, also benefit from a variety of promotional discounts for equipment, ski passes and other services. Each year, the BRSC organizes two multi-club ski trips – the Western Carnival and Eurofest. This season the BRSC has also added an Eastern Carnival. The Baltimore Ski Club is participating the Western Carnival being held in Snowbird, Utah as well as the Eastern Carnival held in Lake Placid, New York. The Blue Ridge Ski Council also sanctions, upon request, certain ski trips (and some non-ski trips) which member clubs have opened to participants from all other member clubs. This helps clubs fill up a trip with members from other clubs. The other clubs benefit because their members may enjoy a trip that may not be on their schedule that season. If you're interested in Eurofest 2016 in Italy or would like to see a list of sanctioned ski trips that might better fit your schedule, or you would like to check out discounts available to BRSC members, please check out the Blue Ridge Ski Council website at www.skicouncil.com.

The Baltimore Ski Club's newest affiliation is with the Eastern Pennsylvania Ski Council. This organization is dedicated to promoting winter sports in Pennsylvania, New Jersey, New York, Delaware and Maryland. As a member club of the EPSC, Baltimore Ski Club members are entitled to benefits such as discount ski area vouchers for the Pocono Mountains and New England, Council Day and a Council Race, and Monday Night Lessons at Spring Mountain Ski Area.

A Western and Eastern Council trip is also sponsored and open to all members. EPSC member clubs also have access to a listing of ski trips posted on their website by other member clubs that BSC members are welcome to join. If you would like to familiarize yourself with the Eastern Pennsylvania Ski Council's ski trip offerings or list of benefits, please go to their website at www.easternpaskicouncil.org.

The Blue Ridge Ski Council and the Eastern Pennsylvania Ski Council are both members of the National Ski Council Federation. The NSCF, formally established in 1999, is made up of the largest 30 ski councils in the United States. These ski councils have a common interest in the enjoyment of

snowsport activities including skiing, snowboarding, cross country and telemark skiing. Membership in the BSC entitles you to various offers and discounts listed on the NSCF's website. Check out the latest offerings on the NSCF website at www.skifederation.org.

So you see, as a member of the Baltimore Ski Club, you have access to a plethora of options and benefits, on or off the slopes. I hope you will take the time to visit the website of each of the organizations listed above. Membership does have its benefits!

BSC Trips Cancellation Policy

1. The Club does not intend to unduly penalize a trip participant who cancels from a BSC trip. However, other trip participants should not have to incur additional costs due to your cancellation.
2. Deposits and payments made toward the trip reservations being cancelled will be held until such time as a determination can be made that the Club or trip participants will not incur additional costs due to non-recoverable costs.
3. Non-recoverable costs are defined as those that are associated with the trip that due to contractual obligations cannot be recovered when the individual cancels his/her trip. Non-recoverable also include those costs associated with replacing a person or persons on a trip (i.e., name change charges on airline tickets, etc.) Refunds, if any, will be made based on the non-recoverable involved plus a cancellation fee. Cancellation costs will not exceed the cost of the trip. Club cancellation fee will be dropped if non-recoverable costs exceed 50% of the trip cost.
4. Replacement of a trip participant by a trip participant is strictly prohibited. Only the Trip Leader or Assistant Trip Leader can replace a trip participant who is unable to go on the trip. The canceling trip participant may suggest a replacement candidate to the trip leader or assistant trip leader, however the canceling trip participant is responsible for the cancellation fee (if applicable) and any non-recoverable costs.
5. Be sure to know the cancellation dates in relation to the trip you select so that you can avoid monetary losses. The following cancellation policy is in effect in relation to BSC trips. NR=Non-recoverable costs
