Baltimore Ski Club
Annual Holiday Celebration
Wednesday, December 14, 2016
Fun begins 7:00 PM

Now that the jingle bell season has begun, what a bright time and the right time to *mix and a-mingle* with our fellow BSC friends at our annual holiday celebration. Hopefully it won't be snowing and blowing so we can rock the night away in some frosty air.

We will be serving delicious fried chicken, fries, and cole slaw.

PRESIDENT'S MESSAGE

By Mike Jones

We had a great turnout for our winter expo last month. Many nearby ski resorts attended offering information, deals, and door prizes. Several local ski shops were also there showing the latest in ski technology. I want to thank all the ski shops, resorts and vendors for their participation, their donated door prizes and for supporting the club event. A special thanks to LuAnn Snyder for all of her work chairing this spectacular affair.

In the span of less than 40 days the people of this great nation celebrate at least three holidays. For this reason, many believe it to be the most delightful time of the year.

Traditionally, this is the time of the year that we celebrate and reconnect with our family and friends. How about reconnecting this year with all of your skiing friends at our Annual Holiday Party and Election Night?

Currently, all incumbent officers are running unopposed. **If you would like to run for any office**, contact Sharon Albaugh at schusseditor1@verizon.net. We especially need someone to take over the role of corresponding secretary whose job it is to send out cards (sympathy, get well, etc.) and "Thank You" to our speakers and guests.

The Club is reaching release dates soon for all trips where all unsold airline seats, rooms, tickets, etc go back to the wholesaler. After this point, trip leaders may not be able to get these reinstated and if they can it may be at a much higher price. If your life situation is uncertain I urge you to inquire about trip cancellation insurance available through the wholesalers not the BSC. It can protect you against last minute cancellations. Each policy is different so **read the terms carefully**.

Vacancies may become available due to cancellations so check with leaders as to the current status of the trips that you want to go on.

In keeping with the season spirit, Gloria and I wish everyone Happy Holiday from the Jones Family

Why Ski?

Psychologists have studied the rationale for skiing – skiers speculate about it –

ordinary mortals shake their heads in dismay over it. There is an ambivalence to this sport. There are no scores or points to skiing, but the beauty of movement gives a self-assurance that is better than winning a game. It is a sport that brings escape from the cares and tensions of daily life.

Skiing brings an awareness of the grandeur or nature; an exhausting exercise for most people, yet no other sports gives such a feeling of satisfaction and healthy vigor.

Why do we ski?

Words can't explain it. You have to experience the hours and days and weeks of skiing. You have to meet the people who ski – the individualists, the non-conformists. You have to see the beauty of snow covered mountains and valleys. You have to participate in this moment of truth.

Why do we ski?

You have to become a skier to know.

BSC Trips Cancellation Policy

1. The Club does not intend to unduly penalize a trip participant who cancels from a BSC trip. However, other trip participants should not have to incur additional costs due to your cancellation.
2. Deposits and payments made toward the trip reservations being cancelled will be held until such time as a determination can be made that the Club or trip participants will not incur additional costs due to non-recoverable costs.
3. Non-recoverable costs are defined as those that are associated with the trip that due to contractual obligations cannot be recovered when the individual cancels his/her trip. Non-recoverable also include those costs associated with replacing a person or persons on a trip (i.e., name change charges on airline tickets, etc.) Refunds, if any, will be made based on the non-recoverable involved plus a cancellation fee. Cancellation costs will not exceed the cost of the trip. Club cancellation fee will be dropped if non-recoverable costs exceed 50% of the trip cost.
4. Replacement of a trip participant by a trip participant is strictly prohibited. Only the Trip Leader or Assistant Trip Leader can replace a trip participant who is unable to go on the trip. The canceling trip participant may suggest a replacement candidate to the trip leader or assistant trip leader, however the canceling trip participant is responsible for the cancellation fee (if applicable) and any non-recoverable costs.
5. Be sure to know the cancellation dates in relation to the trip you select so that you can avoid monetary losses. The following cancellation policy is in effect in relation to BSC trips. NR=Non-recoverable costs
